

## **PPG Patient Bulletin No.3**

### **Meet the Patient Participation Group**

Members of the Aboyne Medical Practice Patient Participation Group will be attending the Aboyne surgery between the hours of 9.00am and 5pm on Thursday 25<sup>th</sup> July 2024.

The PPG was established to represent the views of patients and has been up and running in an official sense for around 3 months now.

We will be handing out information designed to let patients know...

1. That we exist
2. The aims of the group

We will also try to answer your questions and let you know how you can contact us, if you have something you want to say.

You might even fancy getting involved as a member of the group itself. If so, you'd be warmly welcomed.

You can also follow us on Facebook so that we can keep you in the loop about what were doing on your behalf. Here's the link to our Facebook page.

If you tend to attend the Tarland surgery and can't make it to Aboyne, we plan, if the day is a success, to hold a similar event in Tarland later in the year.
